### Message from the Guest Editors

Dear Colleagues,

We would like to take this opportunity to invite you to submit your contributions for this new special issue in Sustainability. This special issue aims to gather a diverse collection of empirical and theoretical research articles that explore various themes related to CSR, wellbeing, innovation, and practices for sustainable value creation. We strongly encourage submissions that address, but are not limited to, the following main topics:

- CSR and sustainable business management
- CSR agenda and stakeholders' wellbeing
- Corporate socially responsible investments and innovation
- ESG/CSR practices and value creation
- Companies' contribution to the 17 UN SDGs and the current status of corporate practices
- The role of formal and informal institutions in shaping sustainable development
- The role of regulations and policy enforcement in shaping the future of corporate sustainable value creation
- ESG/CSR practices, incentives, and benefits in developed and developing economies
- Capital market reactions to corporate sustainable value creation practices
- ....
