Message from the Guest Editors

We welcome systematic reviews, meta-analyses, conceptual papers, experimental studies, empirical cases, online surveys, and intervention studies. No weight will be given to results being null, mixed, or positive. Studies on potential side effects of shared mobility (positive or negative) and methodological challenges are also welcome. If you are uncertain about whether your paper fits into the scope of this Special Issue, please contact the Guest Editors.

This Special Issue is open to any subject area related to shared mobility. The listed keywords suggest just a few of the many possibilities.
