### Message from the Guest Editor

Dear Colleagues,

This Special Issue is intended to examine this interplay in order to provide deeper insights on the spatial dynamics of social capital as a sustainability mechanism. To that extent, the aim of this Special Issue is to generate new knowledge and insights as regards the spatial manifestations and effects of social capital in both urban and regional environments. The Guest Editor welcomes papers on all aspects related to the topic and invites all types of contributions, i.e., comprehensive reviews, case studies, or research articles.
