

Sustainability and Resiliency under Multi-Hazards

Guest Editors:

Dr. M. Amin Hariri-Ardebili

Dr. Karim Farokhnia

Dr. Derya Deniz

Message from the Guest Editors

In this Special Issue, we solicit high-quality original research articles focused on the state-of-the-art techniques and methods employing sustainability, resilience, and risk analysis of structures and infra-structures under multi-hazards.

Topics of interest include, but are not limited to:

Deadline for manuscript
submissions:

closed (30 November 2019)

- Sustainable and resilient building design systems;
- Community resilience and sustainable planning;
- Sustainable and resilient design of infrastructural components;
- Sustainable and resilient design of infrastructural networks;
- Case studies and validations of sustainable and resilient systems;
- Cloud-based sustainable and resilient design or assessment platforms;
- Influence of social and economic sectors in sustainable and resilient systems;
- Risk and resiliency of bridges, dams, nuclear power plants, and transportation networks.

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
