

## Technology and Management for Sustainable Buildings and Infrastructures

Guest Editor:

**Prof. Dr. Sunkuk Kim**

Department of Architectural Engineering, Kyung Hee University, 1732, Deogyeong-daero, Giheung-gu, Yongin-si 17104, Gyeonggi-do, Republic of Korea

Deadline for manuscript submissions:  
**closed (28 February 2021)**

### Message from the Guest Editor

This Special Issue aims to act as a research hub for exchanging research on innovative technology and management on sustainable buildings and infrastructure. This Special Issue is expected to contribute to the sustainability of buildings and infrastructure, which most impacts climate change. This Special Issue encourages the submission of case study papers, as well as academic and practical research, with focuses on the keywords listed below.

Sustainable buildings and infrastructure

Sustainable construction technology

Energy use or CO2 emission reduction

Life cycle assessment

Simulation, optimization, and risk management

Sustainable facility management

Modeling techniques for the sustainability of buildings and infrastructure

Policies and regulations for sustainable buildings and infrastructure

an Open Access Journal by MDPI

## Editor-in-Chief

Faculty of Engineering and  
Applied Science, University of  
Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
