

Transformation Processes in Landscape and Their Impact on Sustainable Development

Guest Editor:

Dr. Jana Vojteková

Department of Geography and Regional Development, Faculty of Natural Sciences, Constantine the Philosopher University in Nitra, Slovakia

Deadline for manuscript submissions:

closed (1 January 2023)

Message from the Guest Editor

This special issue of the Sustainability journal, which is entitled Transformation Processes in Landscape and Their Impact on Sustainable Development, deals with the impact of socio-economic and natural factors on the landscape and its sustainability.

The authors are encouraged to submit contributions to this special issue in the following priority areas:

Landscape transformation from the past to the present – Mapping, analysis and development of the landscape as well as prediction in compliance with current environmental, economic and social conditions, which can help support policy decisions and guide transformation changes.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
