Message from the Guest Editor

We welcome papers that:

- offer perspective on pressing issues concerning urban tourism planning, policy and development aligned with economic, social and/or environmental impacts;
- outline how different approaches and contexts of urban event tourism regeneration, planning and development are considered in relation to the triple bottom line;
- assess how the triple bottom line is considered when planning for sustainable event tourism futures and legacies in cities;
- present new theoretical insight, perspective and/or recommendations that address further considerations and directions for urban event tourism research, concerning sustainability, policy, development and regeneration.
