Message from the Guest Editor

Dear Colleagues,

This Special Issue of *Sustainability* invites contributions that evaluate the relationship between women and sustainability in the areas noted below: (1) women and poverty, (2) education and training of women, (3) women and health, (4) violence against women, (5) women and armed conflict, (6) women and the economy, (7) women in power and decision-making, (8) institutional mechanisms for the advancement of women, (9) human rights of women, (10) women and the media, (11) women and the environment, and (12) the girl child. Gender equality in each of these areas is fundamental to delivering on the promises of sustainability, peace, and human progress.
