Message from the Guest Editor

Dear Colleagues:

In recent years, circular consumption has gained more attention from customers. This Special Issue aims to uncover various reasons for sustainable consumption both offline and online environments.

Topics of interest include the following content, but are not limited to, ethical issues of circular consumption in the context of:

both offline and online environments
consumer attitudes towards second-hand goods
entrepreneurial initiatives toward ethical consumption
sustainable consumption in developed, developing, and
emerging markets.

I look forward to receiving your contributions.
