Engineering, University of  
Calabria Arcavacata di Rende  
(CS), Arcavacata, Italy

**Dr. Cinzia Raso**

Department of Mechanical,  
Energy and Management  
Engineering, University of  
Calabria, Calabria, Italy

Deadline for manuscript  
submissions:

**closed (19 October 2023)**

### Message from the Guest Editors

Topics of interest include, but are not limited to:

1. The role of emerging Information and Communication Technologies in empowering consumers towards sustainable food consumption patterns.
2. The impact of food information services on consumer-perceived food value.
3. Consumers' behavior in sustainable food consumption patterns
4. Consumers' readiness towards emerging food information services and the challenges they face in accessing and using these services.
5. The role of digital technologies in supporting food literacy, education, and information for sustainable food consumption.
6. Food communication strategies for the promotion of sustainable food consumption behavior.
7. Policies, guidelines and strategies to support the development and implementation of intelligent food information systems for sustainable food consumption.

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
