

## **Advances in Biostimulant Applications and Sustainable Crop Production**

Guest Editors:

**Prof. Dr. Sławomir Kocira**

**Dr. Luigi Lucini**

**Dr. Agnieszka Szparaga**

Deadline for manuscript  
submissions:

**closed (31 December 2022)**

### **Message from the Guest Editors**

This Special Issue will welcome interdisciplinary research, including laboratory research; studies on new technologies and products for plant growth stimulation; case studies; and field experiments showing a critical approach to the possibility of developing sustainable agriculture solutions based on the application of biostimulants. This Special Issue aims to identify research and scientific approaches to the critical problem of sustainable agriculture.

an Open Access Journal by MDPI

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
