### Message from the Guest Editor

This Special Issue provides a forum to discuss and identify new trends and developments in the relationship between HSR and Tourism, with an emphasis also on the economy of a country, where this service exists, and then on sustainability. Some keywords as below:

- State-of-the-art on the relationship between HSR and Tourism (modelling approaches, quantitative, qualitative, etc.).
- New and original modelling contributions on the analysis of the relationship between HSR and Tourism.
- Case studies description.
- Surveys design aiming at investigating the relationship between the tourism and HSR industries. This relationship may also not exist.
- Big data analytics in the tourism and HSR industries.
