submissions:

closed (31 July 2021)

Message from the Guest Editors

This Special Issue offers deeper insight about Leadership, Sustainable Operations and Occupational Stress. We welcome the submission of theoretical and practical developments related to existing studies revising, revisiting, and further exploring the modernized methods to fill the gaps in existing leadership-related knowledge by recommending sustainable means.

The objective of this Special Issue is to promote path-breaking research on impact leadership, optimized sustainable operations, and human capital, dealing with various stressors to formulate a new body of knowledge to assist businesses, leaders, and top management in the creation of sustainable organizations.
