### Message from the Guest Editors

It is with great pleasure that we put forward this Special Issue, “Marine Conservation and Sustainability”, in the context of United Nations Sustainable Development Goal 14 about the conservation and sustainable use of the ocean, seas and marine resources.

This Special Issue with an explicit policy focus and covers, but not limited to:

- international, regional and national marine policies;
- institutional arrangements for the management and regulation of marine and coastal activities, including fisheries, aquaculture, coastal management and shipping;
- conflict resolution;
- marine pollution and environment;
- conservation and use of marine resources.

The purpose of the Special Issue is to highlight marine conservation and sustainability which will be fully reflected in a series of anticipated papers.
