

## Sustainable Integrated Planning of Positive Energy Districts

Guest Editors:

### Message from the Guest Editors

**Dr. Carmel Margaret Lindkvist**

*Collaborative governance for open innovation:*

**Prof. Dr. Annemie Wyckmans**

**Dr. Savis Gohari**

**Dr. Daniela Baer**

Deadline for manuscript  
submissions:

**closed (15 August 2021)**

- Identification of public-private partnerships which enable value creation in complex urban environments
- Actor understanding and meaning of coordination and cooperation in “collaborative governance” structures towards Positive Energy Districts
- Influencing factors that lead to collaborative governance

*Temporal impact of knowledge continuation from early planning processes to implementation*

- Impact of diverse actors/practices understanding of ideas for PEDs from planning to implementation
- Key stakeholders who ensure knowledge continuation from one phase to the next and the impact of forgotten knowledge
- Types of participation processes and methodologies enabling future users of districts to participate in integrated (energy) planning for PEDs

*Participatory processes for engaging diverse stakeholder interests*

- Scope for facilitation of a permanent participation processes in urban development on district level
- Motivation and incentives of participation processes – for organizations, society, and individual stakeholders

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
