Dr. Eider Goñi-Palacios

Department of Developmental and Educational Psychology, University of the Basque Country, 01006 Vitoria-Gasteiz, Spain

Message from the Guest Editors

This Special Issue will include a series of articles that analyze the main psychosocial variables involved in the improvement of psychosocial adjustment and well-being, in order to bring together the most recent and updated research on the subject. This will facilitate the design and implementation of actions aimed at the prevention and promotion of an adequate psychological development within the Psychology of Sustainability and Sustainable Development.

Deadline for manuscript submissions:

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.
