closed (12 July 2023)

Message from the Guest Editors

This Special Issue discusses relevant knowledge about sustainable strategies applied to regional development and tourism planning. We invite researchers to submit original papers that include theoretical and/or empirical methodologies, state-of-art reviews, case studies addressing the importance of sustainability in regional development and tourism.

The Special Issue seeks papers including (but not limited to) the following themes:

- Sustainable tourism;
- Rural tourism sustainability;
- Entrepreneurship and tourism sustainability;
- Sustainable tourism planning;
- Sustainable regional development;
- Regional development;
- Tourism as a tool for regional development;
- Regional tourism networks/partnerships;
- Different planning approaches;
- Regional development-centred models;
- Social, environmental and economic components of tourism sustainability.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
