University, Hangzhou, China

Deadline for manuscript
submissions:

closed (1 May 2023)

Message from the Guest Editor

Dear Colleagues:

The content in the form of original research and reviews from research fields of psychology, STEM education, business, and multi-disciplinary fronts in social sciences are welcome. The topics may include (but not limited to) the following:

- Role of literacies in communicating and educating society.
- Smart learning environments and teaching styles.
- Role of educational entrepreneur in sustainable future.
- Designing and innovating pedagogy for sustainable tomorrow.
- Higher education / tertiary level education for sustainable development.
- Education to enable civic engagement.
- How to solve eco-centric issues (i.e. climate change) through educating people.
- Formal and informal educational settings for communicating and leaning sustainable development.
- The power of sustainability-oriented creativity and thinking skills
- Role of ICT and smart technology in enabling sustainable development and green future (it includes Block chain, Artificial Intelligence, and BigData)

an Open Access Journal by MDPI

Editor-in-Chief

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
