Deadline for manuscript  
submissions:

**closed (31 October 2020)**

### Message from the Guest Editor

Dear Colleagues,

The purpose of this Special Issue is to shed light on the potential contributions of standardization to sustainability issues.

Therefore, we invite original contributions that offer theoretical insights, deploy empirical data analysis (qualitative or quantitative), discuss case studies or use other suitable methods to shed light on the problem. The scope of the Special Issue includes (but is not limited to) the following topics:

- standardization of sustainability dimensions;
- contribution of standardization to SDGs;
- standards and SDGs;
- interrelation between standards and public policies to achieve SDGs;
- standardization in the interaction between digitalization, incl. artificial intelligence, and sustainability;
- the role of big data and new data sources, like social media, for research on standardization and sustainability.

Prof. Dr. Knut Blind

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
