Deadline for manuscript submissions:

closed (15 October 2022)

Message from the Guest Editor

Dear Colleagues,

The current Special Issue aims to attract high-quality articles focused on such Industry 5.0 technologies from a sustainability perspective. The technologies in focus include digital twins, green technologies, artificial intelligence (AI), internet of things (IoT), unmanned aerial vehicles (UAVs), fog computing, sensors technologies, building information modeling (BIM), infrastructure information modeling (IIM), big data, 3D scanning, wearable technologies, virtual reality (VR), augmented reality (AR), robotics, blockchains, cloud computing, software as a service (SaaS), 3D printing, ubiquitous computing, renewable energy, autonomous vehicles, and 5G communications. The target contributors for this Special Issue include city governance teams, construction managers, civil engineers, project managers, city and urban planners, real estate and property managers, architects, IT managers, data scientists, software developers, computer systems analysts, web developers, governance management specialists, and others.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
