Message from the Guest Editors

The aim of this Special Issue is to discuss sustainable financial and business performance from a sustainable economic development perspective. It will set an agenda for future research and inform policymakers and managers about the opportunities and challenges that arise from sustainable financial and business performance and sustainable economic development. We invite you to contribute to this Special Issue by submitting comprehensive reviews, case studies, or empirical (qualitative and quantitative) articles. Papers selected for this Special Issue are subject to a rigorous peer-review procedure with the aim of a rapid and wide dissemination of research results, developments, and applications.

Deadline for manuscript submissions:

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
