

Sustainable Rural Development Practices and Results: Learnings and Results from Policies and Initiatives

Guest Editors:

**Prof. Dr. Francisco Navarro
Valverde**

**Prof. Dr. Eugenio Cejudo
García**

Dr. Marilena Labianca

**Prof. Dr. Francisco Javier
Abarca-Alvarez**

Deadline for manuscript
submissions:
closed (30 June 2023)

Message from the Guest Editors

We encourage researchers to submit contributions in the priority areas below:

strategies to tackle depopulation of rural areas; social innovation and rural change; networks of actors and governance in rural development; the added value of projects and initiatives; youth and gender perspectives in rural development; neo-endogenous rural development as a tool for enhancing agricultural landscapes, quality productions, and agri-foods chains; agricultural landscapes and quality productions in rural areas; tools, digital innovations, and virtual and augmented reality for the study, interpretation, and enhancement of local resources, agricultural landscapes, and future scenarios; learnings from successful and failed initiatives in the practice of rural development; natural and cultural heritage as tools for rural development; the impact of the out-migration of young people in rural areas—irregular vs. circular experiences; rural extension and smallfarmers' ability to innovate and adapt to market and climate change; ageing, loneliness, and rural contexts; linkages between rural development, food security, and migration intentions in the Central American context

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
