submissions:

**closed (30 November 2012)**

### Message from the Guest Editors

Dear Colleagues,

In 1972, a book entitled “The Limits to Growth” raised awareness of our planet’s limited resources and the challenges caused by continuous population growth. On the 40th anniversary of this renowned book, *Sustainability* is dedicating a special issue to this important piece of literature. This special issue aims at revisiting and analyzing the limits to growth of contemporary societies and the current status of resource consumption.

Dr. Shu-Kun Lin  
*Managing Editor*

Prof. Dr. Jørgen Randers  
*Guest Editor*

an Open Access Journal by MDPI

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
