# Sustainable Higher Education: Innovative Teaching and Learning, and Leadership for Creating Impacts on Local Society and Globally

### Message from the Guest Editors

The landscape of higher education continues to evolve. facing new challenges and embracing opportunities to make a lasting impact both locally and globally. As sustainability becomes increasingly critical in our world, it is imperative that institutions of higher learning adapt and innovate in their teaching, learning, and leadership practices. In light of this, we are excited to announce a call for papers for a Special Issue titled "Sustainable" Higher Education: Innovative Teaching and Learning, and Leadership for Creating Impacts on Local Society and Globally". Topics of interest include, but are not limited to, the following: Innovative Pedagogies for Sustainability; Leadership in Sustainable Higher Education; Curriculum Development for Sustainability; Campus Sustainability Initiatives; Community Engagement and Impact; Global Partnerships for Sustainable Development; Sustainability in Higher Education Management; The Role of Technology in Sustainable Higher Education; Policy and Governance for Sustainability; Technology and Innovation for Sustainability; Cross-Cultural and Global Perspectives

## **About the Journal**

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

#### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
