

Special Issue

Green and Bio-technology for Food Corps: Advance, Challenge and Application in the Future of Sustainable Agriculture

Message from the Guest Editors

This Special Issue will focus on ongoing developments in the application of green technology approaches. We invite original research papers and reviews that evaluate the potential of these technologies and redirect conventional agricultural towards a sustainable agricultural system. Discussions on the effects of biotechnologies on social, environmental, and health aspects are welcome.

Guest Editors

Dr. Raffaella Petruccioli

Dr. Cristiana Giordano

Dr. Francesca Ieri

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.
