

Special Issue

Sustainable Development Goals: What Is the Role of Smart Tourism City?

Message from the Guest Editors

Sustainable tourism development concerns current and future economic, social and environmental impacts: making optimal use of environmental resources, respecting the socio-cultural authenticity of host communities, and contributing to inter-cultural understanding and tolerance, fairly distributing socio-economic benefits to all stakeholders.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:
