Environmental Behavior and Climate Change

Message from the Guest Editor

This Special Issue encourages the submission of articles related to:

- Climate-friendly behavior (in general and for separate types of behaviors);
- Various tools (energy price, choice of green energy supplier, improvement of transport infrastructure etc.) impact on climate-friendly behavior;
- Environmental impact (particularly greenhouse gas emissions) related to changes in pro-environmental behavior;
- Climate change policy implementation promoting climate-friendly behavior;
- Cross-culture and cross-generation analysis;
- Implications of COVID-19 and war in Ukraine for changes in pro-environmental behavior.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
