Message from the Guest Editors

Dear Colleagues,

The special issue “Harnessing Systems Thinking in Entrepreneurship: Interdisciplinary Perspectives and Emerging Trends” aims to explore the increasingly complex world of entrepreneurship through the multifaceted lens of systems thinking.

We invite submissions that cover various dimensions of systems thinking in entrepreneurship, including but not limited to:

- Historical context and theoretical foundations
- Modern context and emerging trends
- Entrepreneurial ecosystems
- Innovation and technology
- Policy and regulatory frameworks
- Interdisciplinary approaches and data utilization
- Entrepreneurial education
- Critical perspectives

Message from the Editor-in-Chief

Systems is a leading venue for the quick and global dissemination of results of cutting-edge research in various areas of systems science and systems-related fields. An increasing number of researchers are realizing the enormous potential of systems thinking in managing the many unprecedented and complex issues in all areas of need. The *Systems* journal provides a home of exceptional quality for the manuscripts of these researchers who often find it difficult to publish their work in conventional discipline focused journals.

Author Benefits
