

vaccines

Dear Colleagues,

On behalf of the Editorial Office of *Vaccines*, we are pleased to invite applications for 2018 “MDPI-Vaccines” Travel Award. The award is for postdoctoral researchers and PhD students to attend a conference dealing with Immunology and Vaccinology. The applications will be reviewed by a committee chaired by Prof. Nirbhay Kumar, and select members of the editorial team and editorial board members of *Vaccines*.

Travel Award:

Two awardees, each will receive 800 CHF (Swiss Francs).

Eligibility Criteria:

- All postdoctoral fellows or PhD students involved in vaccine or vaccination research.
- Presentation (oral or poster) at an international conference (in 2018) on any aspect (laboratory, clinical and field) of vaccine research.

2018 TRAVEL AWARDS

FOR POSTDOCS AND PHD STUDENTS

Application Process and Selection Criteria:

Please submit:

- A recent curriculum vitae, including educational and professional experience, a complete list of publications and a brief statement justifying financial need and funds available from other sources.
- A brief description of current research.
- Details of the conference you plan to attend and a copy of the abstract submitted for either oral or poster presentation.
- A letter of recommendation from the supervisor/research director or department head which confirms the applicant’s status as a post-doctoral fellow or a PhD student.

Application Deadline: Please send your complete application to the Vaccines Editorial Office at vaccines@mdpi.com (Subject Line: Vaccines Travel Award Applicant) by 30 October 2017. The winners will be informed via email and also announced on the homepage of Vaccines in January 2018.
