Dr. Aaliyah Gray

Department of Epidemiology,
Florida International University,
Miami, FL 33199, USA

Deadline for manuscript
submissions:

31 January 2025

Message from the Guest Editors

This Special Issue seeks original research articles and reviews on HPV vaccination coverage and programs in diverse populations. We welcome research focused on groups underrepresented in HPV vaccine research including racial/ethnic minorities, adolescent males, sexual/gender minorities, vulnerable populations, and low- and middle-income countries. Topics of interest include, but are not limited to, the following:

- Vaccine coverage in underrepresented populations;
- HPV vaccination knowledge and awareness;
- Multilevel facilitators and/or challenges to HPV vaccination and programs;
- Impact of public health policy on HPV vaccination and programs;
- Implementation and evaluation of HPV vaccination programs;
- Cultural adaptations of evidence-based strategies to promote HPV vaccination;
- Interventions and programs supporting HPV vaccine acceptance.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

Vaccines (ISSN 2076-393X) has had a 6-year history of publishing peer-reviewed state of the art research that advances the knowledge of immunology in human disease protection. Immunotherapeutics, prophylactic vaccines, immunomodulators, adjuvants and the global differences in regulatory affairs are some of the highlights of the research published that have shaped global health. Our open access policy allows all researchers and interested parties to immediately scrutinize the rigorous evidence our publications have to offer. We are proud to present the work and perspectives of many to contribute to future decisions concerning human health.

Author Benefits

Open Access: free for readers, with **article processing charges (APC)** paid by authors or their institutions.

High Visibility: indexed within **Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPus / SciFinder, and other databases.**

Journal Rank: JCR - Q1 (Immunology) / CiteScore - Q1 (Pharmacology (medical))
