

# *viruses*

Dear Colleagues,

We are pleased to announce that the *Viruses* 2022 Early Career Investigator in Virology Award will be awarding two prizes to early-career investigators demonstrating excellence in virology. The nominations will be assessed by an evaluation committee chaired by the Editor-in-Chief, Dr. Eric O. Freed.

## 2022 EARLY CAREER INVESTIGATOR IN VIROLOGY

# AWARD

### Prizes:

- Prize of CHF 1000 (Swiss francs);
- Invitation to publish one paper free of charge in the journal in 2023, following peer review;
- An invitation to speak at the *Viruses* international virology conference in 2024 and an engraved plaque.

### Award Terms and Conditions:

- Nominees should be early-career researchers with untenured positions who are within 10 years of completing their most terminal degree (PhD, MD, or equivalent);
- Nominees must have produced ground-breaking research and made a significant contribution to the field of virology.

### List of Documents for Nomination:

- A detailed curriculum vitae including an updated publication list;
- Signed nomination letter and letter of recommendation from two established senior scientists.

### Schedule:

- Nominations open: 15 May 2022
- Nomination deadline: 31 December 2022
- Winner announcement: 31 January 2023

### How to submit nominations?

Nominations must be submitted online.
